

Ski Club Parents' Information

Advisor: Mike Pauldine mpauldine@bville.org

1. Help your child pack and prepare on Wednesday night.
 - Clothing (see list on back of this page)
 - Food
 - Pass and \$\$ for rentals
 - Equipment
 - Early to bed
2. Equipment drop off
 - Begins at 6:45 on Thursday mornings
 - Boys use the boy's locker room. Girls use the girls' locker room
 - Stored in locker room cage
 - The earlier, the better

If large numbers of ski club students arrive late to school on Thursday mornings, it creates problems for our attendance and health office staff.

Bringing in ski equipment is not a legal excuse for being late to school. Students are required to be in homeroom at 7:40 A.M. Please plan accordingly.

3. Have someone available for emergencies.
 - Make sure your child knows your phone # (cell #).
 - Make sure a backup # is available.
4. Be at Ray for pick up by **9:15 P.M.** each week.
 - **DO NOT PARK in the front of the school adjacent to the sidewalk.** That's where the buses pull in. You will block them.
 - **PARK on the far side of the bus circle or in the side parking lot.**
 - Please drive cautiously on school grounds. Kids are tired and may not be attentive.
 - Students who are picked up late may be asked to stay home the following week.
5. Arrange (and verify) car pools for equipment drop off and student pick up when possible.
6. If you come to Labrador (and you are welcome to join in the fun) and want to drive your child home, please hand the bus chaperone a signed note saying that you are providing transportation. **We cannot allow you to transport children other than your own.**
7. There is little cell phone reception at Labrador. Call school before 2:20 or call (607) 842-6204 to get a message to Ray M.S. advisors.
