

# Baldwinsville Central School District After School Enrichment Program

The after school enrichment program is a new opportunity for students to sign up for extra-curricular experiences after the school day! There will be:

- ❖ experiences offered at every school
- ❖ Baldwinsville teachers and staff leading the experiences
- ❖ transportation available for any student

## **When: Tuesdays, Wednesdays, and Thursdays**

- Semester 1: October 4th - January 26th
- Semester 2: January 31st - May 25th
- 3:30pm - 4:30pm

## **Registration**

Please use the link below to register. All registrations must be completed by **September 27, 2022**. All clubs will proceed pending student interest as determined by number enrolled.

## Bored? Come Play Some Board Games!

This will be a game based enrichment experience that will include board games, card games, brain teasers, and puzzles.

During this experience students will

- learn the value of teamwork
- expand their problem solving abilities
- develop planning and organizational skills
- practice following directions and decision making
- improve listening skills

This type of experience for students will help build their interpersonal skills with their peers, encourage them to ask questions, boost their language skills, learn patience, and understand what healthy competition looks like. It will also provide an opportunity to unplug from technology.

**Grades:** K, 1

**Day of the week:** Tuesday

**Semesters:** Semester 1 & 2

## Fun with Nature and Art

During semester 1 this enrichment program will highlight 4 different nature topics including pumpkins, leaves, fossils, and snow/ice. Semester 2 will highlight 4 different nature topics! During each topic exploration, students will get many multi-sensory opportunities to express their wonder, curiosity and creativity through combined science and art activities. We will read a selection of fiction, nonfiction or poetry at each session to connect our thinking, questions and appreciation of art to text. This will be a fun, engaging program for children who enjoy exploring nature and creating different types of art!

**Grades:** 1, 2, 3, 4

**Day of the week:** Tuesday

**Semesters:** Semester 1 & 2

## Full STEAM Ahead Club

Full STEAM Ahead will be a fun hands on experience for primary elementary students. We will be problem solving, communicating, and working in small groups to complete challenges. We will also be creating projects involving science, technology, engineering , art and math. At the end of each session we will reflect on what we have built or created and share our experiences.
