## Alma Mater

*Where the golden sunset mellow  
Tints the western sky  
Proudly stands our Alma Mater  
On her hilltop high  
Join the chorus, speed it onward  
Loud her name we yell  
Hail to thee, our Alma Mater  
Hail, all hail, B'ville*

—  
Lyrics: Carroll "Dutch" O'Herin

Music: Alma Mater, Cornell University

Performed by Honors & Senior Chorus Members

## Irish Blessing

*May the road rise up to meet you  
May the wind be always at your back  
May the sun shine warm upon your face  
and the rain fall soft upon your fields  
Until we meet again, my friend  
Until we meet again  
May God hold you in the palm of his hand  
May the road rise up to meet you  
May the wind be always at your back  
May the sun shine warm upon your face  
and the rain fall soft upon your fields  
'til we meet again  
'til we meet again  
'til we meet again  
'til we meet again  
May God hold you in his hand*

—  
Irish Poem, Arranged by Katie Moran Bart

Performed by Eliza Baker, Leslie Besanson,  
Cole Christman, Zoe-Rayne Coudriet, Benjamin Esek,  
Natalie Herman, Chase McElyea, Kasey Schwartz

## We Are the World

*There comes a time  
When we heed a certain call  
When the world must come together as one  
There are people dying  
And it's time to lend a hand to life  
The greatest gift of all  
We can't go on  
Pretending day by day  
That someone somehow will soon make a change  
We're all a part of God's great big family  
And the truth, you know, love is all we need*

*We are the world  
We are the children  
We are the ones to make a brighter day  
So let's start giving  
There's a choice we're making  
We're saving our own lives  
It's true we'll make a better day  
Just you and me*

*Well, send them your heart  
So they know that someone cares  
So their cries for help  
Will not be in vain*

*We can't let them suffer  
No, we cannot turn away  
Right now they need a helping hand*

*When you're down and out  
And there seems no hope at all  
But if you just believe  
There's no way we can fall  
Well, well, well, let us realize  
That a change can only come when we  
Stand together as one*

—
